# WE ARE

A global supplier of high-volume parts, Wauconda Tool and Engineering has proudly provided intricate metal stampings since 1950.

Our parts may be found in the car you drive, the smoke detector in your home and the devices used by your doctor. And that's only the beginning. We provide parts for the following industries:

- ▶ Automotive
- ▶ Electronic
- ▶ Electrical/  
Mechanical/  
Cellular
- ▶ Medical
